CASE NO. C17-0814JLR

ORDER DENYING STIPULATED
MOTION FOR PROTECTIVE
ORDER WITHOUT PREJUDICE

16 Before the court is the parties' stipulated motion for a protective order. (Stip. Mot.
17 (Dkt. # 66).) The parties, however, fail to comply with Local Rule LCR 26(c)(2). *See*
18 Local Rules W.D. Wash. LCR 26(c)(2). Pursuant to this rule, "[p]arties are encouraged
19 to use this district's model protective order, available on the court's website," but those
20 "[p]arties that wish to depart from the model order must provide the court with a redlined
21 version identifying departures from the model." *Id.* Here, the parties appear to use the
22 model protective order as a basis for their filing, but they fail to provide the court a

1 redlined version as required under the local rules. Accordingly, the court DENIES the
2 parties' stipulated motion for a protective order (Dkt. # 66), but without prejudice to
3 re-filing in a manner that comports with the court's local rules.
